

LAGUNA SOURCE COVID-19 ASSISTANCE

OUR SERVICES CAN HELP. Laguna Source is doing what we can to support companies and dedicated employees in the fight against COVID-19. **We're happy to offer significant recruiting fee discounts** based on the following:

- Engaging on searches and placing candidates working on diagnostics, vaccines and treatments related to COVID-19.
- Placing candidates who are currently not employed.
- Placing candidates who are available to start working without relocation assistance or able to start working from home virtually.

Laguna Source has an established history of successfully placing Scientists, Engineers and Quality professionals developing, manufacturing and testing Rapid In-Vitro Diagnostics, Molecular Diagnostics, Vaccines and Therapeutic Drug Products.

WE ARE HERE TO HELP AND OFFER SIGNIFICANT RECRUITING FEE DISCOUNTS DURING THIS CRITICAL TIME.
